

OAK MEADOW SWIM CLUB

2023 PRIVATE SWIM LESSON FORM

PRIVATE LESSONS:

Lessons will be one child per one instructor, and will be based on your child's swimming level.

Lessons will be scheduled based on the instructor's availability. Contact the instructor directly to schedule lesson times. Instructor's bios and contact information available at www.oakmeadowswimclub.com.

Please have realistic expectations for your child's age and personality. Our recommendation is to get your child comfortable with being in the pool prior to starting lessons. We want this to be a positive experience for everyone involved, but if your child is fearful or will not get in the water, this will only cause frustration for your child, your instructor, and yourself. Thanks for entrusting us to help your child learn this important skill. Our goal is to give your child a great experience and build their confidence in the water as they are learning how to swim.

Please try to give instructor 24 hours notice of cancelation or rescheduling. If no notice is given, our **No Show Policy** is the missed lesson counts against total purchased. Please initial that you understand this policy. _____

We also offer stroke technique lessons for freestyle, backstroke, butterfly, or breast.
